TO QUALIFY FOR A RESIDENT LANDOWNER HUNTING LICENSE, THE APPLICANT MUST MEET THE FOLLOWING REQUIREMENTS:

1. Applicant must be a **resident** owner or possessor of land, comprising 80 or more contiguous acres which is enrolled in a Pennsylvania Game Commission Cooperative Public Access Program, allowing public hunting on that land.
2. **One** and only one Landowner Hunting License will be issued per qualifying agreement, regardless of acreage in excess of 80. The individual to whom the **one license is issued per agreement** may be any **one** of the following who is listed on the deed showing ownership as:
 - (a) A natural person individually (single ownership), or
 - (b) Tenants by the entirety (husband and wife), or

 - (d) Tenants in Common of four (4) or fewer natural persons, or
 - (e) A member of the immediate family of the owner or possessor living in the same household.

(In b, c, d, & e, the individuals decide between or among themselves who will be the **one** person receiving the license and **that person only** makes application for the license.)

No municipal or publicly held lands qualify for a Landowner Hunting License.

3. Applicant must be at least 12 years of age or older and:

The applicant understands and must agree to at the time of application, that the subject eighty (80) or more contiguous acres of land is under agreement and such land is open to public hunting and trapping and shall remain open to public hunting and trapping during the entire hunting license year. Under no circumstances may the same individual make application for more than one or receive more than one Landowner Hunting License in any given license year, regardless of the number of qualifying tracts held or acreage above the minimum involved.
